

For Immediate Release

INTECH SELECTED BY HARRIS TO CREATE INTEGRATED TEST ASSEMBLIES FOR HULIU PROGRAM

MELBOURNE, Florida, April 3, 2006 – Intech, Inc., a leading systems integration company, is proud to announce that it has been contracted by Harris Corporation to design and assemble Integrated Test Assemblies (ITA) in support of Harris's contract with Lockheed Martin on the HIMARS Universal Launcher Interface Unit (HULIU) project. HIMARS provides support for lighter, more mobile fighting forces and has already been combat proven in Iraq.

Headquartered in Melbourne, Intech uses state-of-the-art technologies to design and develop custom systems in-house. Intech has been providing products and services to Harris Corporation for over ten years.

Additional information on Intech's *custom solutions* is available from Intech, Inc., 375 East Drive, Melbourne, Florida, 32904. Phone: 321-951-2326. Fax 321-951-2511. Email: intech@go-intech.com. Website: <http://www.go-intech.com>.
